
JAVASCRIPT / REACT DEVELOPER

Name: Pratiksha Ajinkya Nakti

Email: pratikshanakti22@gmail.com

Phone: 9657040806

Address: Pune, Maharashtra 411046

Skills

- JavaScript
 - React JS
 - HTML
 - CSS
 - REST API using Node JS and Express JS
 - Git / GitHub
 - PostgreSQL
 - MongoDB
 - Firebase
-

Experience

Angular Minds

Software Engineer

October 2021 - PRESENT (PUNE)

- Developed **responsive and reusable frontend modules** using **React.js**, **Tailwind CSS**, and **Material UI**, ensuring modern UI/UX standards.
- Implemented bulk upload with **Vertex AI-driven validation**, continuous progress tracking using **WebSockets**, and Excel-like frontend visualization with color-coded errors and correction dropdowns.
- Implemented **real-time communication and live log monitoring** using **Socket.io** for event-driven applications.
- Integrated **Zendesk APIs** to build a **Support Ticket Management Module** with full **CRUD operations** on tickets.
- Collaborated with **cross-functional teams (UI/UX, QA, Product, Backend)** to analyze requirements and deliver end-to-end web solutions.
- Ensured applications met **performance, security, and scalability standards** through optimized code and best development practices.
- Performed **testing and supported UAT**, ensuring high reliability and alignment with business requirements.
- Provided **production support**, resolved critical bugs, and ensured **high system availability and uptime**.
- Followed **clean code principles**, wrote **reusable, maintainable, and modular code**, and adhered to coding standards.
- Designed and developed **scalable backend services and RESTful APIs** using **Node.js** and **Express.js** with **MongoDB** and **PostgreSQL** databases.
- Built and maintained **microservices architecture on Google Cloud Platform (GCP)** to improve system scalability, reliability, and performance.

Education

ABASAHEB GARWARE COLLEGE / MSC (COMPUTER SCIENCE)
JUNE 2021 - JUNE 2023

8.63 CGPA
